June 2011

Dear Neighbor:

Mark your calendars for the 12th Annual New Hope/Lambertville AIDS Walk sponsored by **FACT Bucks County** on Sunday, October 2, 2011. Friends, families, kids, parents, couples, singles—over 500 Walkers—from each and every part of our community have raised more than \$500,000 to date. Our goal this year: \$100,000.

FACT (Fighting AIDS Continuously Together) is an all-volunteer, non-profit organization with a mission of helping those affected by HIV/AIDS to maintain some quality of life as well as to educate and promote awareness of this devastating disease.

WALK WITH US. YOU'LL BE AMAZED AT WHAT WE CAN ACCOMPLISH IN JUST ONE MORNING!

All the proceeds raised will help individuals in Bucks, Hunterdon, and Mercer counties. Each and every dollar will provide essential funding for people who have nowhere else to turn for help in paying for medications, utility bills, rent or mortgage payments, transportation, funeral expenses and other basic personal needs.

We eagerly await the day a cure for AIDS has been found and there is no longer a need to raise funds. But that day has not yet come. Until then, we are committed to continuing our mission as a lifeline of support.

BRING ALL YOUR FRIENDS AND THE FOUR LEGGED ONES TOO.

This year's event will again begin and end at the New Hope-Solebury High School (special thanks, once again, to NHSHS!). From the school, the Walk will move down Bridge Street crossing into Lambertville, onto the towpath and North to Stockton crossing back into Centre Bridge and back to the NHSHS.

IT'S EASY TO JOIN UP.

The next few pages will tell you how you can add your special help to the Walk and make a difference for so many people in need.

THANKS TO ALL THE GENEROUS INDIVIDUALS AND BUSINESSES THAT MAKE THE WALK SO SUCCESSFUL!
